

**REMARKS**

In response to the Election Requirement mailed December 28, 2004, Applicants provisionally elect Species I, with traverse. Claims 9-15 are believed to read on the elected species.

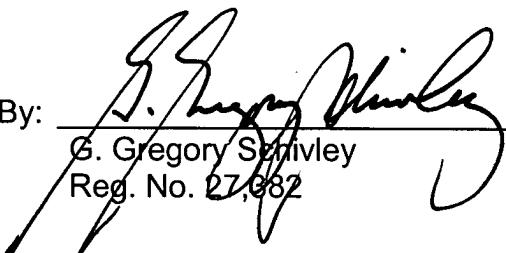

The Examiner is requested to reconsider the Species Election Requirement because all of the species are drawn to subject matter which are so related to each other that an undue burden would not be placed upon the Examiner by maintaining all species in a single application. (see, e. g. MPEP § 803)

A new title and replacement drawings are included herewith as required by the Examiner.

If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
